

GENEALOGY LETTER WITH PEDIGREE

Date: _____

Dear _____:

I am interested in gathering the genealogy and family history of my _____ family.

The earliest three generations I have located are given below. I am trying to find the parents of any of the below ancestors as well as any additional information you may have concerning them.

Please help me with information on you branch of the family. It is possible that your family connects to mine and we can make the connection. Please write the information that concerns your family on the attach sheet and return to me as soon as is convenient.

If you know other persons who may be able to assist in this search, I will appreciate having their names and addresses or email addresses (please write them below).

If you are interested in the history or records of these families, I would be glad to share with you what I already have.

Thank your for your help and co-operation.

Sincerely,
