

FAMILY HISTORY RESEARCH FORMS

By Carolyn H. Brown

The files on this disk were all originally created in WordPerfect. They have been output in PDF format to make them accessible by any computer which has a copy of Adobe Acrobat Reader available.

You will note that there are three sets of forms that have a front and back. The first is document 04-03-1 Genealogy Letter w/ pedigree. The document 04-03-2 goes on the back. The next is document 11-15-1 Census History pg. 1 and 11-15-2 Census History pg 2. The document 11-15-3 Census History pg. 3 is the continuation of this form. The documents numbered 18-01-1 and 18-01-2 are also designed to be printed with a front and back. When printed each of these forms should be double sided.

The numbers on the documents correspond with the chapter numbers of the book *Family History Research* Edition year 2010.
